4. List of Novartis US employees who may have connections to Novartis Hellas. The FBI and United States Attorney's Office in Newark, New Jersey anticipate contacting these individuals with the intent to interview them. If any interviews are conducted, the results of those interviews will be provided to your office.

Stavros Ntogiakos, a current Novartis employee, was based at Novartis Hellas as a product manager from approximately September 2008 through August 2011. In approximately August 2011, Mr. Ntogiakos transferred to Novartis Pharma Canada, where he worked as a brand manager until approximately July 2012, when he took on a role as a global brand manager for Novartis in Switzerland. Mr. Ntogiakos left Switzerland in approximately August 2016 for a Marketing Director position at Novartis Pharmaceuticals Corporation (NPC), East Hanover. His current title at NPC is Executive Director, Marketing – Eye Care.

Vijay Iyengar, a former Novartis employee, worked at NPC from approximately February 2003 to July 2009 in various roles in Global Oncology, including as product director and senior product director. From approximately July 2009 to November 2011, he served as VP of the Oncology Business Unit at Novartis Hellas. In approximately November 2011, Mr. Iyengar transferred back to NPC as VP of the Oncology Rare Diseases Franchise. From approximately April 2014 until his departure in April 2016, Mr. Iyengar served as President of Genoptix, a Novartis company.

Christian Klee, a current Novartis employee, was based at Novartis Pharma AG in Basel from approximately July 2001 to July 2005 as the Head of Finance for Pharma. From approximately July 2005 to October 2008, he served as the Global Head of Finance for Pharma. In approximately October 2008, Mr. Klee transferred to the Novartis Institutes for BioMedical Research (NIBR), where he served as the CFO from approximately October 2008 to July 2016. In approximately July 2016, Mr. Klee started in his current role as the COO of NIBR and the CCFO USA.

If any of the above names or bank account information is recognized by your office, we would appreciate the chance to discuss their relevance to the Novartis investigation.
